Subject: DEBAJ has reached One Million Man Hours with out a lost time accident.

DEBAJ Company, I would like to personally congratulate you and your team for doing an outstanding job here at the Ras Abu Fontas B2 Expantion Power Station. It is a pleasure to work with a company with your growing experience. Your company has done a great job in promoting safety with in your organization as well as with other contractors and employees here on site.

I would like to make a recommendation that you join the team with GEII as your experience would benefit any job that you participate in. I know that you would be a great assist and would help the men understand the benefits of any site you are on .

The One Million Safe working hours without a lost time accident is a great achievement and is greatly appreciated by GEII and its staff.

Thank you,  
Best Regards

Anthony Sonny Michaels
