

Electro-Mechanical Construction

Electro-Mechanical Erection Works

Mechanical Erection and Electrical, Control & Instrumentation Installation Works for Power & Desalination Plants, Oil & Gas Plants, Petroleum & Petrochemical Industries, Sewage/Waste Water Treatment Plants, Electro-Chlorination & Catalyst Plants, Steel, Aluminium, Cement & Fertilizer Plants, Pumping Stations / Pipeline, etc.

Maintenance, Refurbishment and Shutdown Works

Maintenance & Refurbishment of Complete Plant or Components related to Power & Desalination Plants, Steel & Aluminium Plants, Sewage/Water Treatment Plants, Process Plants and Pipelines, Pumps, Motors, etc.

Fabrication & Manufacturing at ASME/NBBI/PED Certified Workshop

ASME / NBBI / PED Code Services for Pressure Vessels, Pressure Piping, etc.
 Design, Engineering, Procurement, Fabrication, Manufacturing of Pressure Vessels, Heat Exchangers, Evaporators, Tube Bundles, Heavy Steel Structures, Tanks, Ducts, Hoppers, Stacks, Panels, Pipe Spools/Supports, Pipe Rack, etc.

Major Projects Reference

Jump
 2015
 2014
 2013
 2012

- Electro-Mechanical Erection of WWT Plant at QSTec Polysilicon Project in Ras Laffan.
- Electro-Mechanical Erection of Desalination BoP, Auxiliary Boiler, HRSG at RAF-A2 Plant.
- Electro-Mechanical Erection of VGR Plant at QSTec Polysilicon Project in Ras Laffan.
- Piping & Equipment works of EF5 at Qatar Steel and First Line Maint. of FTP at QATALUM.

Growth
 2011
 2010
 2009
 2008

- Various Shutdown Maintenance works at Qatar Steel Plant and Piping Erection of SIDRA Project.
- Mechanical Erection of Desalination BoP, Auxiliary Boiler & Remi Plant at QEWC RAF-A1 Project .
- Electro-Mechanical Erection of Anode Baking, Cast House & Furnaces for Aluminium Smelter Plant.
- Mechanical Construction of Effluent Treatment Plant at GTL Project in Ras Laffan.

Start

2007
 2006
 2005
 2004

- Electro-Mechanical Erection of 6 Nos. GTG and BoP at Mesaieed Power Station.
- Electro-Mechanical Erection of GTG # 1,2,3 and BoP at QEWC RAF-B2 Power Station.
- Heavy Steel Structure & Equipments Installation for HBI/DRI Combo Plant in Qatar Steel Co.
- Refurbishment & Upgrading of Desalination Plants # 3,4,5,6 at QEWC RAF-A Power Station.
